

Emerging Leaders Circle

The Emerging Leaders Circle (ELC) of the Cultural Cabinet is the next generation of leaders and philanthropists for the arts and culture sector. This group comes from diverse backgrounds – nonprofit arts and culture, corporate, legal, and government – and will soon assume top level positions in their respective organizations and industries.

We highly encourage companies to identify and support participation in this valuable professional development program, as a way to cultivate leadership within the organization, industry and region and highlight their support of arts and culture.

Participation in the ELC develops professional affiliations, promotes nonprofit board membership and civic engagement and encourages philanthropic endeavors.

Members of the Emerging Leaders Circle will receive several benefits throughout the year. These include:

- Networking opportunities with the Cultural Cabinet
- Access to the LinkedIn group for ELC members
- Exclusive events for ELC and Cultural Cabinet members
- Lunch and Learn opportunities with cultural, civic and business leaders

The Emerging Leaders Circle is a program of the Greater Philadelphia Cultural Alliance. The Cultural Alliance leads, strengthens, and amplifies the voice of more than 430 member organizations who generate over \$4.1 billion in economic impact for the region. Our members, as well as the cultural community as a whole, count on the Alliance for signature research reports on the health and growth of the sector; grantmaking in partnership with the Pennsylvania Council on the Arts; robust professional development and membership services; marketing and audience development through our signature consumer marketing programs, Phillyfunguide.com and Funsavers; and leadership in policy and community engagement through our advocacy initiatives.
