DESCRIPTION

PPA Project Stream provides grants of up to \$2,500 to eligible organizations and individuals to conduct arts projects.

The features of Project Stream are:

- Grants are awarded annually and applicants must reapply every year.
- Application is for projects that have not yet occurred. The activity period is from September 1, 2019 - August 31, 2020.
- Applicants may submit one (1) Project Stream application per PPA service region, per grant period.

APPLICANT ELIGIBILITY

In general:

- Project must be an arts activity, take place in the PPA Partner's service region and have a public component.
 - In some instances, public access to the arts is limited by circumstances beyond the control of the applicant. Examples of this include programs for individuals who are institutionalized, incarcerated, or otherwise unable to access public programs. Applications for projects providing access to the arts in such environments will not be disqualified as a result of the public being unable or not allowed to attend.
- For-profit organizations are ineligible.
- The applicant, if an individual, must be at least 18 years old.
- PPA Project Stream applicants may not apply to the following grant programs for the same grant period: PPA Program Stream, PCA AOAP Track, or PCA Entry Track.
- PPA Project Stream applicants may apply to the following PCA grant programs during the same grant period: Arts in Education Residencies; Preserving Diverse Cultures; and Citizens for the Arts in Pennsylvania's Professional Development and Consulting.

FUNDING PROCESS

- Applications are submitted online to the PPA Partners through the PA Department of Community and Economic Development's Electronic Single Application (ESA) website (esa.dced.state.pa.us).
- Applications are reviewed by advisory panels that evaluate and assess each application based on the PCA criteria. The panels make recommendations to the PPA Partners' Boards for the Boards' consideration in making their funding decisions. The PPA Partners' Boards are not obligated to provide formal explanation of the awards.
- PPA Partners may notify appropriate legislators of the funding decisions prior to notifying applicants. PPA will notify applicants by email or postal service of funding decisions.
- Those receiving awards will be asked to log in to ESA and complete a Grant Award Agreement (GAA). Recipients must: complete and submit the GAA online and include appropriate electronic signatures.
- Once the PPA Partner receives the electronic GAA, the award process begins.

ABOUT PENNSYLVANIA PARTNERS IN THE ARTS (PPA)

Pennsylvania Partners in the Arts (PPA) is a partnership between regional organizations and the PCA. Operating in all 67 Pennsylvania counties, PPA re-grants funds to support a wide variety of local and community arts activities.

GOALS

- Expanding constituent access to the arts by:
 - (a) Making arts programs available to communities that may have been underserved in the past by state arts funding; and
 - (b) Supporting a wide variety of arts activities in the community, developed in a variety of local settings.
- Encouraging and supporting local decision-making in the re-granting of arts dollars.
- Increasing awareness of and advocacy for government support and funding of the arts at the local and state levels.
- Enabling the PCA to provide increased assistance to its broad constituency throughout the state.

PPA Project Stream grantees may qualify to transition to the PPA Program Stream. Program Stream offers ongoing support to arts organizations and arts programs with an established history of PPA support. To qualify for Program Stream, applicants must have multiple years of Project Stream funding, be a non-profit organization, have consistent arts programming, and good assessments from the Project Stream review panels. Organizations are notified by the PCA or a PPA Partner that they have met the eligibility requirements and are invited to apply to PPA Program Stream.

MATCHING REQUIREMENTS

- Third time (and thereafter) recipients must show a 1:1 cash match of funds requested.
- PCA funds may not be used as match for other PCA funds.

APPLICATION REVIEW PROCESS

PPA Partners use an advisory panel process to assess applications based on the review criteria and make recommendations to PPA Partners' Boards of Directors for consideration in making funding decisions. Membership on advisory panels changes annually, so applicants should not assume that the panelists have any prior knowledge of the applicant or process.

- The information provided in the application is the principal source of information for the advisory panel review.
- Applications should be clear, complete and compelling in presenting all information. Responsibility for making a case for PPA support rests entirely with the applicants.
- Applicants may receive little or no support if information is missing, incorrect or unclear.

APPEALS PROCESS

PCA recognizes that errors may occur in the PPA application process. The PCA is committed to acknowledging any errors and responding to rectify the effects of an error. The appeals process enables applicants to identify these errors and omissions, and bring them to the attention of a designated partner. Appeals to the board of a designated partner may result in an increase in the PPA award amount if the applicant can satisfactorily document that the application was misrepresented or improperly reviewed through no fault of the applicant. Appeals are awarded only if the designated partner and the PCA believes that the error or omission had a substantial effect on the recommendation of the advisory panel.

Appeals are not intended to provide the applicant with an opportunity to challenge the recommendations of the advisory panel. Disagreements with the judgment of the advisory panel or the amount of the award are not grounds for an appeal.

Applicants considering an appeal should contact their partner for advice and guidance. The appeal of an award decision must be made in writing ten (10) business days from the date of the notification of the award from the Partner. Letters of appeal should be addressed to your PPA Partner. Send a copy to Matthew Serio, Program Director, Pennsylvania Council on the Arts. The letter should identify the error or omission and the effect such error had on the recommendation of the advisory panel. If the appeal is successful, funds will be awarded only if they are available.

APPLICATION REVIEW CRITERIA

The advisory panels assess applications based on the following criteria:

Quality and Quantity of Artistic Product, Process or Service - 35 points
